

Annette has lived in Soldotna/Kenai now for over 30 years and been in Real Estate for over ten years. She became interested in Real Estate when she and her husband, Danny, began investing in Real Estate themselves. She found that she thoroughly enjoyed helping others with their Real Estate needs. She strives to bring professionalism yet a very personalized touch to every transaction. Her goal is to ensure her buyers and sellers feel well represented throughout their entire transaction. She feels good communication is essential, attention to detail pertinent, honesty and diligence important, and a positive attitude the foundation that keeps all parties involved and moving forward. Working as a team with the lender and title companies is also her strength. Christian faith is important to her and she tries to live it in all that she does. Annette has been married over 33 years. She has two married daughters and three grandchildren. Her and her husband have had a concrete business for over 25 years. She loves to x-country ski, ballroom dance, hunting and fishing, loves animals, the study of nutrition, and loves Alaska.
