

Conditions Covenants & Restrictions (CC&R's)

Redoubt Realty has made a diligent search for any CC&R's and have not been able to find any. One of the local title companies is your best resource for CC&R's.

CC&R's will always appear on the Title Search at closing. If you want to verify any CC&R's before you make an offer, please have your agent or yourself research this issue independently to verify that our web site is correct.

If you would like to research for CC&R's please call the following Title Companies. They will need the Legal or Tax Id number:

First American Title	262-5708
Stewart Title	260-8031
